FOR IMMEDIATE RELEASE:

### **PICKAWAY COUNTY BANKING CENTER OFFICE RENOVATES EXTERIOR**

**February 23, 2018, Circleville, Ohio** –Pickaway County Banking Center, a member of the VCNB Financial Family, has recently undergone an exterior renovation at its 120 South Court Street location.

The project which was managed by Wesney Construction included an updated façade designed to replicate the first VCNB branch in McArthur, Ohio. Included in the renovation is a new entry way, sign featuring halo lighting, and new pillar lights. Finishing off the makeover is a new roof installed by Gouge Quality Roofing of Circleville. The updated design compliments the other businesses on Court Street and shows the bank’s commitment to the community.

Brenda Doles, Executive Vice President of Retail, was thrilled with the outcome of the renovation. “Investing in the community is an important aspect of our business. We want to see our communities succeed and enhancing the appearance of our property to show pride in the city is one way we can do that,” Doles said.
